Dear Sir/Madam,

RE: Application for the Position of Commissioner in the University Electoral Commission

I am writing to express my interest in serving as a Commissioner in the University Electoral Commission. I am passionate about leadership, integrity, and the principles of fairness that form the foundation of democratic processes. With my diverse experience in leadership, organizational activities, and community engagement, I believe I am well-prepared to contribute meaningfully to this role.

I have participated in the university's Work-Study program for two years, which enhanced my work ethic, adaptability, and commitment to serving the university community. During my tenure, I gained firsthand experience managing responsibilities with diligence and professionalism.

Notably, I was honored to serve as an Imam during the university's previous graduation ceremony, where I delivered a short sermon to inspire the graduating class. This opportunity allowed me to demonstrate my ability to engage and motivate others, qualities essential for a commissioner in ensuring smooth and inclusive electoral processes.

Thank you for considering my application. I look forward to the opportunity to contribute to the University Electoral Commission and uphold the values of our institution.

Yours sincerely,
Ali Kassim Ali
